7035 E.96th St. 46250

The goal of the Indy Veteran Networking Events is to connect veterans, veteran owned businesses, and businesses that want to work with veterans. This “Vetworking” event was designed to bring together veterans to help support each other’s businesses, look for new ideas, meet possible applicants and enjoy the camaraderie. 100% of proceeds raised go to support the H.O.M.E. Initiative, a city wide initiative to end chronic veteran homelessness.”
